

A small grey circular button with a white 'X' icon, typically used to close a window or dialog.

WhatsApp stage:

Once you have been offered a room you will be sent an email inviting you to join the WhatsApp group for the Halls of Residence you have been allocated to. This is a great way to content with your fellow flat mates and other students living in your Halls. If you have received your room offer but have not received your WhatsApp invite contact the Accommodation Centre Team who will be able to assist you.
