WELCOME FROM THE RESIDENCE AMBASSADORS! >

Who are RAs and what's our goal?

RA's are Students who work for Residences and are the first point of contact for any problems you may have in Halls or on campus. Our goal is to keep and enhance our sense of community on campus especially during these uncertain times. Keeping a well-knit community allows us to provide a better service for all students.

We'll be around campus over the next year for any queries, questions or just if you fancy a chat!

Welcome Sport Week

During Freshers Week, Brunel Residences organized Welcome Week Sport in collaboration with Active@Brunel. There were games going on throughout the week, such as Badminton, Rugby, Football and Rounders. Unfortunately, due to the new COVID restrictions, Netball and Basketball games had to be cancelled. Nevertheless, the tournaments were a huge success, with over 230 students attending and participating in these sessions.
